**ABOUT US AT A GLANCE**

Hilltop General Construction was founded in December 2019 with the mission to provide a full-service construction company focused on building long term client relationships by working directly with ownership and their design teams from project inception, operations takeover and beyond. While maintaining budget and timelines, Hilltop provides top quality workmanship and detail. Just as important, our long-term commitment to our projects well beyond standard warranty periods has led to a vast referral basis. With a client first focus, Hilltop elevates its relationship to beyond transactional, moving to a partnership level with our clients, subcontractors and design teams. By working with established subcontractors of like mind, Hilltop has an abnormally high rate of repeat customers and a large referral base of new clients.
